

CURRICULUM VITAE

Jeffrey S. Hallam, Ph.D., FRSPH

College of Public Health, Kent State University
131 Moulton Hall, 800 Hilltop Drive, Kent, OH 44242
Office: 330-672-0679, Email: jhallam1@kent.edu

ACADEMIC RECORD

- 1988 Bachelor of Science The Ohio State University
School of Health, Physical Education and Recreation
Major: Recreation Education
Specialization: Aquatics
- 1991 Master of Arts The Ohio State University
School of Health, Physical Education and Recreation
Major Area: Sport Management
Specialization: Fitness Management
- 1995 Doctor of Philosophy The Ohio State University
School of Health, Physical Education and Recreation
Major Area: Health Promotion and Education
Cognate Area: Research Methods and Statistics
Dissertation: A process evaluation of a social cognitive theory-based intervention to promote the adoption of exercise behavior of adults at the worksite (R. Petosa, Advisor)

ADMINISTRATIVE RECORD

The Ohio State University, School of Health, Physical Education and Recreation

- 1990 – 1995 **Supervisor**, Field Experience Students
1994 – 1995 **Coordinator**, Health Promotion and Education Teaching Associates
1996 – 1996 **Acting Coordinator**, Health Promotion and Education Program
1996 – 1997 **Faculty Sponsor**, Eta Sigma Gamma, Alpha Psi Chapter
1995 – 1997 **Interim Coordinator**, Health Education Program

The University of Mississippi, Department of Health, Exercise Science, and Recreation Mgmt.

- 1999 – 2013 **Health Promotion Program Coordinator**
2003 – 2013 **Founding Director**, Center for Health Behavior Research
2004 – 2007 **Graduate Program Coordinator**
2009 – 2012 **Graduate Program Coordinator**
2010 – 2013 **Exercise and Leisure Program Coordinator**

Kent State University, College of Public Health

- 2013 – 2016 **Department Chair**, Social and Behavioral Sciences
2016 – 2017 **Interim Associate Dean for Research**
2016 – Pres **Inaugural Director**, Healthy Communities Research Initiative
2017 – Pres **Associate Dean for Research and Graduate Studies**

STRATEGIC LEADERSHIP

The Ohio State University

1993 – 1995 **Founder & President:** Buckeye Advocates for Student Health, Ohio State University

Texas Association for Health

1997 – 1998 **Chair-Elect**, Community Health Section

1998 – 1999 **Chair**, Community Health Section

1999 – 2000 **Past-Chair**, Community Health Section

American Public Health Association

1998 – 2001 **Chair**, Worksite Health Committee

1999 – 2008 **Program Planning Committee**

2000 – 2003 **Governing Councilor**

2002 **Governing Council Whip**

2005 – 2007 **Governing Councilor**

2008 – 2009 **Co-Chair**, Annual Meeting Program Planning Committee

2009 – 2010 **Chair**, Annual Meeting Program Planning Committee

2011 – 2012 **Session Coordinator**

2011 – 2012 **Section Chair-Elect**

2012 – 2013 **Section Chair**

2013 – 2014 **Section Immediate Past Chair**

2014 – 2018 **Executive Board (Elected)**

2014 – 2018 **Member**, Governance, Strategic Planning, and Finance Executive Board Subcommittees

2015 – 2016 **Chair**, Governance Executive Board Subcommittee

2017 – 2018 **Chair**, Strategic Implementation Executive Board Subcommittee

American Academy of Health Behavior

2010 – 2011 **Chair**, Research Review Committee

2010 – 2013 **Member**, Professional Development Committee

2013 – 2014 **Treasurer**

2014 – 2015 **President-Elect**

2015 – 2016 **President**

2016 – 2017 **Immediate-Past President**

2016 – 2017 **Chair** of Past Presidents Committee

2018 – Pres **Member**, Past Presidents Committee

Art and Science of Health Promotion Annual Conference and Advocacy Efforts

1995, 1996 **Photography Intern**, Art and Science of Health Promotion Conference. Orlando, FL

2001 **Planning Committee**, Art and Science of Health Promotion Conference

2001 **Advocacy Day Planner:** Art and Science of Health Promotion Conference

2003 – 2008 **Network Activation State Coordinator:** Funding Integrated Research, Synthesis, and Training (FIRST), Representative for Mississippi

2005 – 2006 **State Leader:** Health Promotion Advocates

STRATEGIC LEADERSHIP (continued)

American Heart Association

- 1995 – 1997 **Chair**, Worksite Project Team. Franklin County Division, Columbus, OH.
1996 – 1997 **Chair**, Vendor’s Fair. Heart at Work Committee. Ashland Chemical, Columbus, OH.
1998 – 1999 **Vice-Chair**, Program Committee, McLennan County Division, Waco, TX.
1998 – 1999 **Executive Board of Directors**, McLennan County Division, Waco, TX.
2016 – Pres **Executive Leadership Team**, Akron, OH
2017 – 2018 **Chair-Elect**, Executive Board of Directors, Akron, OH

State Organizations

- 1999 – 2001 **State Chair**, National Coalition for Promotion of Physical Activity, Mississippi
2000 – 2002 **Chair**, CVD Ad Hoc Committee, Mississippi State Department of Health
2006 – 2007 **President and Founding Member**, Delta Chapter, Society of Public Health Education (SOPHE)
2014 – Pres **Judge**, Graduate Research Section, Ohio Public Health Association
2015 – 2018 **Chair (Elected)**, Health Education Section, Ohio Public Health Association
2015 – 2018 **Executive Member**, Ohio Public Health Association Governing Council

FACULTY APPOINTMENTS

- Sep. 1995 – July 1997 **Visiting Assistant Professor**, The Ohio State University
School of Physical Activity and Education Services, Columbus, OH
- Aug. 1997 – July 1999 **Assistant Professor**, Baylor University
Department of Health, Human Performance, & Recreation, Waco, TX
- Aug. 1999 – June 2003 **Assistant Professor**, University of Mississippi, Department of
Health, Exercise Science & Recreation Management, Oxford, MS
- July 2003 – June 2010 **Associate Professor**, University of Mississippi, Department of
Health, Exercise Science & Recreation Management, Oxford, MS
- July 2010 – June 2013 **Professor**, University of Mississippi, Department of Health,
Exercise Science & Recreation Management, Oxford, MS
- July 2013 – Pres **Professor**, College of Public Health, Kent State University, Kent, OH
- July 2013 – Pres **Adjunct Professor**, University of Mississippi, Department of
Health, Exercise Science & Recreation Management, Oxford, MS

Graduate Associate Appointments

- Jan. 1989 – Dec. 1989 **Graduate Research Associate**, Coordinator of Employee HRA
Services, Battelle Memorial Institute, Fitness & Recreation
Services, Columbus, OH
- Jan. 1990 – July 1995 **Graduate Teaching Associate**, The Ohio State University
School of Health, Physical Education, and Recreation, Columbus, OH

AWARDS/HONORS

- 1994 Delbert Oberteuffer Award, School of Health, Physical Education and Recreation, The Ohio State University, Columbus, OH.
- 1995 Distinguished Service Award - Eta Sigma Gamma, Alpha Psi Chapter, The Ohio State University, Columbus, OH.
- 1995 Graduate Student Alumni Research Award, The Ohio State University
- 1995 John D. McGovern, M.D. Scholarship Award, National Eta Sigma Gamma
- 1997 Outstanding Service, American Heart Association, Franklin County, OH.
- 2001 Department Researcher/Scholar of the Year, University of Mississippi, Health, Exercise Science, and Recreation Management
- 2003 Outstanding Poster Research, American Academy of Health Behavior
- 2004 Thomas A. Crowe Outstanding Faculty Award, School of Applied Sciences, University of Mississippi
- 2007 Momentum Helping Hands Award, University of Mississippi
- 2007 Outstanding Board Member Volunteer, American Red Cross, North Mississippi
- 2011 Presidential Commendation, American Academy of Health Behavior
- 2016 **Blue Ribbon Award Winner**, Association for Professionals in Infection Control and Epidemiology (APIC), Charlotte, NC. June.
- 2019 Fellow, Royal Society of Public Health (FRSPH)

CERTIFICATIONS

- 1991 – 2015 Instructor, Responding to Emergencies, American Red Cross
- 1994 – 1999 Health Education Specialist (CHES # 4162)
- 1999 – 2015 Instructor-Trainer: American Red Cross
- 2010 – 2015 Health Education Specialist (CHES #17209)
- 2018 – Pres Grief Recovery Specialist

97. Woodyard C, **Hallam JS**, Bentley JP. Overestimation of drinking norms among college students: The case of celebration drinking versus drinking in general. Society of Behavioral Medicine, New Orleans, LA, April.
98. Cambron A, **Hallam JS**, Keena L. College students' barriers to reporting sexual assault. Southern Criminal Justice Association, Atlantic Beach, FL. September.

Professional Presentations - Peer Reviewed (continued)

99. Orlowski, MA, **Hallam JS**. Integrating multiple health behavior theories into program planning. American Public Health Association Annual Meeting, San Francisco, CA, October.
100. Gamble A, **Hallam JS**. Physical education class characteristics and in-school physical activity opportunity for elementary school-aged children in the Mississippi Delta. Southern Obesity Summit, Charlotte, NC, October.

2013

101. Woodyard CD, **Hallam JS**. Identifying needs and developing efforts to improve health through community-based participatory research in the Mississippi Delta. American Academy of Health Behavior, Santa Fe, NM, March.
102. Walsh SM, Umstattd MR, Salazar CL, **Hallam JS**. Rural older adult perspectives on physical activity: A content analysis using a new comprehensive mobility framework. American Academy of Health Behavior, Santa Fe, NM, March.
103. Nahar VK, Ford-Wade A, **Hallam JS**, Bass MA, Hutcheson A. Skin cancer knowledge, beliefs, self-efficacy, and prevention behaviors among North Mississippi landscapers. American Public Health Association, Boston, MA, November.

2014

104. Gamble A, **Hallam JS**. Informing Mississippi legislators of factors associated with in-school physical activity policy and practices in rural, low-income, predominantly African American school settings. Active Living Research, San Diego, CA, March.
105. **Hallam JS**, Gamble A. Barriers and facilitators of implementing in-school physical activity policy in rural communities. American Academy of Health Behavior, Charleston, SC, March.
106. Johnson AK, Ford MA, **Hallam JS**, Jones T. Osteoporosis knowledge among African American and Caucasian college-age women. American College of Sports Medicine, June.
107. Mahabaleshwarkar R, Khanna R, Banahan BF III, West-Strum D, Yang Y, **Hallam JS**. Healthcare burden associated with breast cancer in the Medicaid population. International Society for Pharmacoeconomics and Outcomes Research (ISPOR), Montreal, QC, Canada. June.
108. Mahabaleshwarkar R, Khanna R, Banahan BF III, West-Strum D, Yang Y, **Hallam JS**. Factors associated with repeat mammography screening in the Medicaid population. International Society for Pharmacoeconomics and Outcomes Research (ISPOR), Montreal, QC, Canada, June.
109. Mahabaleshwarkar R, Khanna R, Banahan BF III, West-Strum D, Yang Y, **Hallam JS**. Impact of pre-existing mental illnesses on guideline-consistent breast cancer treatment and breast cancer-related healthcare use. Academy Health's Annual Research Meeting, San Diego, CA. June.
110. Gamble, A. **Hallam JS**. Facilitators and barriers to successful implementation of in-school physical activity policy in the Mississippi Delta. American Public Health Association, New Orleans, LA. November.
111. Woodyard CD, Przybyla SM, Green JJ, **Hallam JS**. Tallahatchie Wellness! A successful community based participatory research approach to develop a community-university partnership to improve health in a Mississippi Delta community. American Public Health Association, New Orleans, LA. November.

Professional Presentations - Peer Reviewed (continued)

112. Bouldin T, Cambron A., Bass MA, Przybyla S., **Hallam JS**. A process evaluation of the brief alcohol screening intervention for college students. American Public Health Association, New Orleans, LA, November.
113. Marshall VJ, Grey SF, Neal-Barnett AM, **Hallam JS**. Influence of race/ethnicity and alcohol use on high blood pressure and diabetes. American Public Health Association, New Orleans, LA. November.

2015

114. Yang J, Kingsbury D, Nichols M, Grimm K, Ding K, **Hallam JS**. Hospital-affiliated integrated clinical and fitness facilities: Characteristics of members' experiences. American Academy of Health Behavior, San Antonio, TX, March.
115. Marshall VJ, Grey SF, Stephens M, Neal-Barnett AM, **Hallam JS**. Health disparities of alcohol use on high blood pressure and diabetes. American Academy of Health Behavior, San Antonio, TX, March.
116. He XZ, Chatfield SL, **Hallam JS**. Hand Hygiene Practices among Healthcare Workers Worldwide: A Systematic Review and Meta-Summary of Qualitative Research. AcademyHealth, Minneapolis, MN, June.
117. Chatfield SL, Hallam, JS. We are the ones in the room the most: An Interpretative Phenomenological Analysis of the Experience of Hand Hygiene among Critical Care Nurses. Qualitative Health Research Conference, Toronto, Ontario Canada, October.
118. He XZ, Chatfield SL, **Hallam JS**. A Systematic Review of Hand Hygiene Practices among Healthcare Workers Worldwide and Policy Implications. American Public Health Association, Chicago, IL, November.
119. Nolan R., **Hallam JS**. The Salience of Death and Dying into a Public Health Discourse. Ohio Public Health Combined Conference, May 2016. ***Ohio Public Health Practitioner's Choice Award.***

2016

120. Bryant J. Fischbein R., Marks J., **Hallam JS**. Hunger in higher education: Does student food access fall under the radar of administration? Ohio Public Health Combined Conference, May.
121. Chatfield SL, Nolan R, **Hallam JS**. Hand Hygiene Intervention Design Recommendations Derived From a Cross-Sectional Factorial Survey Given to 460 Acute Care Nurses. Association for Professionals in Infection Control and Epidemiology. Charlotte, NC. June. ***Blue Ribbon Award Winner.***
122. Chatfield SL, Nolan RD, Crawford H, **Hallam JS**. Hand Hygiene for infection control in health care facilities: Intervention design recommendations derived from a cross-sectional factorial survey given to 460 acute care nurses. American Public Health Association, Denver, CO, November.

2017

123. Nolan R, Umstatted Meyer MR, Spicer P, **Hallam JS**. Psychometric properties of the rural active living perceived environmental support scale (RALPESS): A confirmatory factor analysis. American Academy of Health Behavior Tucson, AZ, March.
124. Wandel S, Mullins W, Wilson C, Chatfield S, Nolan Rachael, Boehm G, Crawford H, **Hallam JS**. Process evaluation of a community-based participatory research approach to hand hygiene research in a healthcare facility. Portland, OR, June.

Professional Presentations - Peer Reviewed (continued)

125. **Hallam JS**, Nolan R, Mullins W, Wilson C, Wandel S, Boehm G, Crawford H, Chatfield S. Process evaluation of a community-based research approach to improve hand hygiene compliance among acute care nurses. American Public Health Association, Atlanta, GA.
126. Kingsbury DM, Bhatta MP, Catellani B, Khanal A, Jefferis E, **Hallam JS**. Role of social networks in providing social support to resettled female refugees during their pregnancy in the United States. American Public Health Association, Atlanta, GA.

2018

127. Lee J, Chatfield SL, **Hallam JS**. Investigating the influence of physical education class characteristics on elementary students' leisure-time physical activity. American Academy of Health Behavior, Portland, OR, March.
128. Lee J, Chatfield SL, **Hallam JS**. Investigating the influence of teacher's motivation types and resource utilization in physical education on elementary students' leisure-time physical activity: A multilevel analysis. American Academy of Health Behavior, Portland, OR, March.
129. Nolan R, **Hallam JS**. Psychometric of the Grief Recover Method Outcome Instrument. Association for Death Education and Counseling. Pittsburgh, PA, April.
130. Nolan R, **Hallam J**. *The Salience of Death and Dying into Public Health Discourse*. Oral presentation presented to the Association for Death Education and Counseling 40th Annual Conference. Pittsburgh, PA. April.
131. Orlowski, MA, **Hallam JS**. Teaching Health Behavior Theory in an Age of Social Determinants of Health. Teaching Prevention, Philadelphia, PA, April.
132. Lee J, Chatfield SL, **Hallam JS**. Using structural equation modeling to examine the mediating effects of perceived parent, peer, and teacher support between social cognitive theory variables and physical activity among low-income primary students. American Public Health Association, San Diego, CA, November.
133. **Hallam JS**, Smith L, Laurent D, Petosa R, Rural Appalachian Adolescents: Accelerometer assessed rates of sedentary, moderate and vigorous physical activity. American Public Health Association, San Diego, CA, November.

2019

134. Nolan R. & **Hallam JS**. Achieving a culture of health through evidence-based grief recovery. Ohio Public Health Combined Conference. Columbus, OH, May
135. Nolan R., **Hallam JS**. The theoretical framework and practice of the Grief Recovery Method. International Death, Grief, and Bereavement Conference, La Crosse WI, June.

Invited Presentations

1. Health behavior change. Navistar, Columbus, OH. October 1989
2. Exercise: How much is enough? Defense Finance and Accounting Systems, Columbus, OH. January 1992
3. Relationships, Sex and Drawing the Line. Two-day presentation to sixth-grade students. Eastmoor Middle School, Columbus Public Schools, Columbus, OH, 1992
4. Playing it Safe: A Sports Conditioning Program. Nationwide Insurance Company, Columbus, OH. January 1996 & May 1995.
5. How to implement Heart at Work. United HealthCare of Ohio, Feb. 1996.
6. Heart Healthy Exercise, Baptist Memorial Hospital, Oxford, MS, Feb. 2001.

Invited Presentations (continued)

7. How Exercise is Enough. HealthWorks, The University of Mississippi, 2004.
8. Healthy Behavior. HealthWorks, The University of Mississippi, 2005.
9. How Exercise is Enough. HealthWorks, The University of Mississippi, 2006.
10. Healthy Behavior. HealthWorks, The University of Mississippi, 2007
11. The Health Promotion Profession. ES 100, Introduction to Exercise Science, The University of Mississippi, FA 2008, SP 2009, FA 2009, SP 2010, FA 2010, SP 2011, FA 2011, SP 2012, FA 2013
12. Defining activity-friendly environments in the rural south. Leadership for Healthy Communities, Grantee Meeting, Jackson, MS, March 2009.
13. Health and Wellness Roundtable with Open World Russian Delegation, The University of Mississippi, Oxford, MS, November 2010.
14. SRTS – Oxford MS: How we walk this town. Safe Routes to School Inaugural Mississippi State Meeting, Jackson, MS, Jan. 2011.
15. Negotiating Authorship on Manuscripts. American Academy of Health Behavior Annual Meeting, March 2013.
16. Physical Activity through Social Cognitive Means. The Ohio State University, February 2014.
17. Keynote address. Members' Experiences and Perceptions of an Integrated Health and Wellness Center. Akron General Medical Center Scientific Session, June 2014.
18. Translating Theory to Practice in Podiatric Medicine. College of Podiatric Medicine, Kent State University, Independence, OH. October 2014.
19. Intervention Design for Health Promotion and Education. College of Public Health, Kent State University, Kent, OH. October 2014.
20. Improving patient compliance with diet and treatment regimens. Kidney Foundation of Ohio. Westlake, OH. September 2017.
21. Establishing the evidence: An evaluation study on the effectiveness of the Grief Recovery Method program. 2018 International Grief Recovery Conference, Manhattan Beach, CA, September 2018.
22. Kent State University College of Public Health Capstone Course. CEPH Technical Assistance. American Public Health Association, San Diego, CA, November 2018

Conference Workshops/Webinars – Peer Reviewed

Hennessy, E. **Hallam JS**, Umstadd MR, Hartley D. Active Living in Rural Populations. Active Living Research Annual Meeting. Washington, DC, April 2008.

Yousefian A, Hennessy E, Umstadd MR, Economos C, **Hallam JS**, Hyatt R, Hartley D. Development of the rural active living assessment tools. Webinar. Presentation Date. June 12, 2009. Recording available at <http://www.activelivingresearch.org/node/11947>

Orlowski, MA, **Hallam JS**. Teaching Behavior Change Theory in an Age of Social Determinants. Webinar. Presentation Date: October 23, 2017. Recording available at <https://attendee.gotowebinar.com/register/4909436351930445314>

Invited Symposium Participant

2012 McGraw-Hill Fitness and Wellness Symposium, October, Del Mar, CA

DEVELOPMENT AND MAJOR GIFTS - Kent State University

GOJO Industries, Inc. Department of Social and Behavioral Sciences, \$500,000
International Grief Recovery Research Support Fund, \$3,000 to date (\$200,000 goal)

RESEARCH SUPPORT - Kent State University, \$494,483

Co-op graduate student positions

- Oriana House, Akron, Ohio, 2018-2020, Funded: \$54,000
- Cleveland Clinic Akron General, 2015-2020, Funded: \$108,000
- Cleveland Clinic Foundation, 2019, Funded: \$20,600

Substance Abuse and Mental Health Services Administration, 2015-2016
Stark County Systems of Care Expansion Planning Grant-Facilitation
Funded: \$141,000
Role: Principal Investigator

The Mid-South Transdisciplinary Collaborative Center for Health Disparities Research
Connecting Health with Education in Rural Settings through School Health Councils, 2015
Funded: \$125,962
Role: Co-Investigator
PI: Gamble, A.

Evaluation of CATCH (Coordinated Approach to Child Health) in Summit County, OH. YMCA
2015-2017
Funded: \$18,000
Role: Principal Investigator

Akron General Medical Center. Improving overall quality of life of Rheumatoid Arthritis
patients through physical activity. 2016
Funded: \$2,000
Role: Principal Investigator

Akron General Medical Center. Improving overall quality of life of Rheumatoid Arthritis
patients through physical activity. 2016
Funded: \$5,000
Role: Principal Investigator

Treatment Advocacy Center, 2016-2017
Systematic Review of High Utilization and Mental Health
Funded: \$19,921
Role: Principal Investigator

RESEARCH SUPPORT - University of Mississippi, \$1,527,361

University of Mississippi Office of Research, 2000
Short-term intervention to enhance selected social cognitive theory variables that promote adult
exercise behavior.
Funded: \$2,000
Role: Principal Investigator

RESEARCH SUPPORT - (continued)

The University of Mississippi Partners Grant, 2000

Adherence rates of long-bouts versus short-bouts of exercise in healthy, adult women.

Funded: \$1,000

Role: Principal Investigator

The University of Mississippi, Small Grant, 2002

Impact of a workplace health promotion program on health risks and medical care costs.

Funded: \$2,500

Role: Principal Investigator

The University of Mississippi, Associates Grant, 2003

Purchase continuous body monitoring devices for physical activity intervention research.

Funded: \$9,000

Role: Principal Investigator

RESEARCH SUPPORT - *University of Mississippi*, \$1,527,361 (**continued**)

NCAA Choices Program, 2003 – 2006

Principal Investigator

Social norms intervention to increase responsible alcohol use among college students.

Funded: \$30,000

Role: Principal Investigator

Worksite Health Promotion Program-Live Healthy, 2004

Office of Outreach and Summer School

The University of Mississippi

Funded: \$8,000

Role: Co-Investigator (MA Ford – Principal Investigator)

Interdisciplinary Workgroup, 2005-2007

Office of Research and Sponsored Programs The University of Mississippi

Fall Prevention and Older Adults

Funded: \$20,000

Role: Principal Investigator

University of Mississippi, 2007

Oncologists' Attitudes toward Prescribing Physical Activity During Cancer Treatment

Funded: \$1,000

Role: Principal Investigator

Robert Wood Johnson Foundation, Oct. 2007- May 2009

Objective and Subjective Instrument Development to Measure Physical Activity in Rural Environments. Grant Award #63348

Funded: \$50,000

Role: Principal Investigator

RESEARCH SUPPORT - (continued)

Active Living Research, Jan. 2007 – June 2008
Defining Activity-Friendly Environments in the Rural South
Robert Wood Johnson Foundation, Grant Award #59456
Funded: \$60,615
Role: Principal Investigator

Anheuser-Busch Foundation, Jan. 2007- Dec. 2009
Reducing Harmful Outcomes Associated with Alcohol Misuse & Abuse
Funded: \$300,000
Role: Principal Investigator

Mississippi Department of Transportation, 2008-2009
Safe Routes to School, Oxford (City of Oxford, MS)
Funded: \$106,000
Role: Project Director (T. Akers, City of Oxford, Principal Investigator)

United States Department of Education, Oct. 2009 - Sep. 2011
Stay Dry! Mississippi Coalition of Partners in Prevention
Funded: \$355,289
Role: Principal Investigator
J. Yates Principal Investigator

Mississippi Department of Transportation, 2009 - 2011
Safe Routes to School, Oxford (City of Oxford, MS)
Funded: \$169,391
Role: Project Director
T. Akers, City of Oxford, Principal Investigator

National Center for Safe Routes to School, Jan. 2010 – June 2010
Social norms media campaign for walking and bicycling to Oxford Middle School.
Funded: \$1,000
Role: Principal Investigator

Active Living Research (RWJF) Dissertation Grant. (#67132) Jan. 2010 – Dec. 2010
The role of policy and the built environment on children's physical activity in the Mississippi Delta.
Funded: \$24,995
Role: Faculty Advisor and Principal Investigator (Gamble A, PhD candidate)

Community Foundation of Northwest Mississippi
Community Needs Assessment of Charleston, MS focused on adults.
Funded: \$5,630

Role: Faculty Advisor and Principal Investigator (Woodyard, CD, PhD candidate)
J.C. Kennedy Foundation
Community Needs Assessment of Charleston, MS focused on adolescents.
Funded: \$12,544
Role: Faculty Advisor and Principal Investigator (Woodyard, CD, PhD candidate)

RESEARCH SUPPORT - *University of Mississippi, \$1,527,361* (continued)

Mississippi Department of Transportation (2012-2014)
Safe Routes to School, Oxford (City of Oxford, MS)
Funded: \$124,401 (Infrastructure funded, non-infrastructure not funded)
Role: Principal Investigator

University of California, San Diego
Active Living Research (Policy Translation Grant)
Funded: \$39,996
Role: Principal Investigator

Health Resources and Services Administration, 2013
Rural Health Care Services Outreach, Rural Health Network Development and Small Health
Care Provider Quality Improvement
Funded: \$205,000 sub-contract to University of Mississippi (Total project: \$1,575,000)
Role: External Evaluator (Polk S, PI)

RESEARCH SUPPORT - *Baylor University*

Baylor University Office of Research, 1998
To describe the relationship between selected Social Cognitive Theory variables and exercise behavior.
Funded: \$1,000
Role: Principal Investigator

RESEARCH SUPPORT – *The Ohio State University*

Eta Sigma Gamma, Project Grant, 1994
A process evaluation of the Franklin County American Heart Association's Heart at Work program.
Funded: \$500
Role: Principal Investigator

Department Direct Research Support Grants, 1994
School of HPER, The Ohio State University
A theory-based intervention to promote exercise maintenance of adults at the worksite.
Funded: \$1,300
Role: Principal Investigator

Cardiovascular Risk Reduction Grant, 1996
The Ohio Department of Health
A theory-based intervention to promote healthy dietary behavior of African American adults
Funded: \$50,000
Role: Grant Writer and Project Consultant (For Middletown Regional Hospital)

Harry C. Moore's Foundation, 1997
Heart Space - an educational project for elementary and secondary students to understand the
anatomy and functions of the human heart.
Funded: \$50,000
Role: Grant Writer and Project Consultant (For American Heart Association, Franklin Co., OH)

PROPOSALS AND APPLICATIONS

United States Department of Justice, 2005
Reducing and Eliminating Violence against Women on College Campuses
Requested Amount: \$200,000 (not funded)
Role: Principal Investigator

National Institutes of Health, 2006
Validity of a multi-sensor device for measuring resting energy expenditure
Requested Amount: \$478,833 (not funded)
Role: Co-Investigator (Owens S, PI)

Enhancing Youth Physical Activity, 2006
New Albany, MS City Schools
Carol M. White PEP Grant
Requested Amount: \$400,000 (not funded)
Role: Program Planner and Evaluator (Stubblefield, L Principal Investigator)

Community Pharmacy Foundation, 2007
Certified personal trainers, pharmacists, and doctors: creating a reciprocal triad for the management of obesity patients.
Requested Amount: \$91,000 (not funded)
Role: Principal Investigator

Johnson and Johnson Community Health Program, 2007
Diabetes education program for Oxford Medical Ministries Clinic
Requested Amount: \$150,000 (not funded)
Role: Co-Principal Investigator

Enhancing Youth Physical Activity, 2008
New Albany, MS City Schools
Carol M. White PEP Grant
Requested Amount: \$400,000 (not funded)
Role: Program Planner and Evaluator (McFarland J, PI)

Centers for Disease Control and Prevention, 2008
CDC Grants for Public Health Research Dissertation (R36)
The role of policy and the built environment on children's physical activity in the MS Delta.
Requested Amount \$35,000 (not funded)
Role: Faculty Advisor and Principal Investigator (Gamble A, Doctoral Candidate)

Robert Wood Johnson Foundation, 2009
Healthy Oxford Kids
Enhancing policy and complete streets to increase physical activity to prevent and manage childhood obesity.
Requested Amount: \$360,000 (not funded)
Role: Principal Investigator

PROPOSALS AND APPLICATIONS (continued)

Substance Abuse and Mental Health Services Administration, 2010
Substance abuse and HIV prevention program within racial and ethnic populations at the University of Mississippi.

Requested Amount: \$1,476,473 (not funded)

Role: Co-investigator (Ford-Wade A, Principal Investigator)

Perceptions of Tourette Behaviors Post Aerobic Exercise, 2010

Tourette Syndrome Association

Requested Amount: \$60,015 (not funded)

Role: Co-Principal Investigator (Waddell D, Snyder, G. Co-Principal Investigators)

Mississippi Department of Transportation (2013-2014)

Assessment of School Siting Decisions in Mississippi

Requested: \$135,796 (not funded)

Submitted: April 2012

Role: Principal Investigator

Enhancing Youth Physical Activity, 2011

South Panola School District

Carol M. White PEP Grant

Requested Amount: \$400,000 (not funded)

Role: Evaluator (McFarland J, Principal Investigator)

Robert Wood Johnson Foundation, 2012

Pioneer Fund – Preliminary Grant

A Demonstration Project to Test the Health Benefits of the Innovative Sprint 8 Exercise Program

Requested Amount: \$532,493 (\$164,440 to UM) (not funded)

Role: Project Director (P. Campbell, Principal Investigator)

Bower Foundation

Preliminary Grant

A Demonstration Project to Test the Health Benefits of the Innovative Sprint 8 Exercise Program

Requested Amount: \$604,479 (\$164,440 UM subcontract) (not funded)

Submitted: April 2012

Role: Project Director (P. Campbell, Principal Investigator)

National Institutes of Health (R18)

Demonstration to Test the Health Benefits of an Innovative Sprint 8 Exercise Program

Requested: \$1,443,609 (not funded)

Submitted: November 2012

Role: Principal Investigator

National Institutes of Health Science Education Partnership Award (SEPA, R25)

Environment-Health-Education Nexus: Addressing Health Inequity Using Geospatial Technology

Requested: \$1,395,922 (not funded)

Submitted: July 2014

Role: Co-investigator (A. Curtis, PI)

PROPOSALS AND APPLICATIONS (continued)

Aetna Foundation. Developing and Sustaining East Liverpool's Farmers' Market with Community/Home Gardens and a Culture of Entrepreneurship: Cultivating Healthy Communities

Requested: \$50,000 (not funded)

Submitted: September 2015

Role: Principal Investigator

RECORD OF TEACHING EXCELLENCE - *Kent State University*

Doctoral

- SBS 80198 – Directed Research
- SBS 73018 – Theories of Prevention Science
- SBS 73019 – Advanced Evaluation Research
- SBS 80195 – College Teaching in Public Health

Graduate

- SBS 50030 – Seminar in Social and Behavioral Sciences (on-line and on ground)
- SBS 50020 – Social and Behavioral Science Theories (on-line and on ground)
- SBS 60195 – Program Planning (
- SBS 53008 – Grant Writing (on-line and on ground)

Undergraduate

- PH 49000 – Capstone Experience in Public Health (on-line and on ground)
- US 10097 – First Year Experience (Public Health undergraduates)
- PH 35005 – Advocacy and Activism in Public Health
- PH 30014 – Strategies in Public Health (on-line and on ground)
- PH 30005 – Theories in Public Health (on-line and on ground)

RECORD OF TEACHING EXCELLENCE - *University of Mississippi*

Doctoral

- HP 675 – Advanced Theoretical Applications in Health Behavior
- HP 685 – Program Evaluation in Health Behavior
- HP 750 – Health Behavior Doctoral Seminar
- ES 620 – Writing for Publication (Special Topics Course)

Graduate

- ES 620 – Theory and Exercise Behavior (Special Topics Course)
- ES 620 – Scientific Writing in Exercise Behavior Research (Special Topics Course)
- EDRS 501 – Introductory Statistics
- HP 600 – Foundations of Health Promotion
- HP 605 – Health Promotion Program Planning
- HP 615 – Personal Health Promotion
- HP 625 – Research Design and Evaluation
- HP 626 – Statistical Analysis I
- HP 635 – Theories in Health Promotion

RECORD OF TEACHING EXCELLENCE - University of Mississippi (continued)

Graduate

- HP 645 – Organization and Administration of Health Promotion Programs
- HP 646 – Introduction to Epidemiology

Undergraduate

- HP 191 – Personal and Community Health
- HP 203 – First Aid: Responding to Emergencies
- ES 440 – Behavioral Aspects of Exercise

Study Abroad Faculty Experience

Co-Instructor, Health Promotion in South Africa. Winter Intersession 2006. Nelson Mandela Metropolitan University, Port Elizabeth, South Africa

RECORD OF TEACHING EXCELLENCE - Baylor University & The Ohio State University

Graduate

- Worksite Health Promotion (The Ohio State University)
- Foundations in Health Education (Baylor University)
- Community Organization in Health Education (Baylor University)

Undergraduate

- Program Planning in Health Education (The Ohio State University)
- Introduction to Community Health and Health Promotion (The Ohio State University)
- Introduction to Epidemiology (The Ohio State University)
- Health and Behavior (The Ohio State University)
- Dying and Death Education (Baylor University)
- Stress Management (Baylor University)
- Intervention Design in Health Education (Baylor University)
- Program Evaluation in Health Education (Baylor University)

Post-Doctoral Research Associates

2014-2015 Stella He, MD, MPH
2019-2020 Rachael D. Nolan, PhD, MPH, CPH
2019-2020 Diana (Kingsbury) Patel, PhD, MPH

Professional Mentoring Experience

2007 – 2008 M. Renee Umstattd. Defining activity-friendly rural environments, Active Living Research, (RWJF), Department of Health Science, University of Alabama

2013 – 2014 Abigail Gamble – Post Doctoral Instructor, Faculty Mentoring Committee, Department of Pediatrics, University of Mississippi Medical Center

2017 Lindsay Joy-Wenning. PHEHP Early Career Professionals Scholarship
