TREATISE ON INVERTEBRATE PALEONTOLOGY

With Dr. Rodney M. Feldmann, I am currently a coordinating author of the revision of the Decapoda section in the [*Treatise on Invertebrate Paleontology*](#): Crustacea: Decapoda, Part R (Revised) Arthropoda 4, vol. 2. In addition to assisting coordination of the revision, I will be contributing to the sections on North American decapods, paleobiogeography, and the systematics and evolution of the Decapoda. This revision has provided me with an opportunity to work with experts on decapod paleontology and biology worldwide.
